8. Wenck General Engineering, CD15/26, CD24, VA Hospital Presentation, CSAH 11, SRWD Overall Plan, Backyard BMPs, Lower Sauk, Ted K Manure Facility, \$13,847.56

Manager Vangsness pulled Grant items 3, 4, 5, 6, and 7. **Manager Kral made a motion to approve the consent agenda minus grant items 3, 4, 5, 6, and 7. The motion was seconded by Manager Scherping. The motion passed with all in favor.** Manager Vangsness asked the progress of the projects associated with Grant items 3, 4, 5, 6, and 7. Administrator Kovarik stated the soils borings were only step one in the process. The information gained from the borings was provided to the engineering firm so that a design plan can be developed. A design plan has to be provided before anything further can be done. **A motion was made by Manager Kral to approve grant items 3, 4, 5, 6, and 7. The motion was seconded by Manager Mostad. The motion passed with all in favor.**

8. **Old Business**

- a. **25<sup>th</sup> Anniversary Event.** Administrator Kovarik updated the board on the progress of the video for the 25<sup>th</sup> Anniversary Event. The event will be held on September 13, 2011 at the 400 Club on Pleasant Lake.
- b. **Cook/Gannon Project.** Administrator Kovarik had no additional updates.
- c. **Big Fish.** Due to a standing motion that states the District will not be spending additional staff time on the Big Fish alleyway issue, President Foster asked that the District get a firm answer from legal counsel if the District has any authority on the alleyway. Attorney Kolb stated that based on the information already known, the District does not have authority, however if there is new information, that information would need to be reviewed before a final decision would be made. **President Foster made a motion to direct the lawyer, the administrator, and a member of the executive board to meet with Mary Schramel for a maximum of an hour and to direct our lawyer to spend no more than 3 hours of compensated time to draft an opinion on this matter of whether the district has authority on the alleyway issue or not. Manager Lunsford seconded the motion. The motion passed with all in favor.**
- d. **Melrose Junk Yard Discussion.** Administrator Kovarik updated the board of a meeting she had with Angie Berg in regards to the Melrose Junk Yard. Administrator Kovarik asked if the board wanted it presented to the landowner that the complaint came from the District rather than an anonymous landowner. Manager Harren suggested the District partner with the county on this issue so that whatever letter the District sends, has the county's endorsement. **Manager Rettig made a motion to partner with the Stearns County Environmental Services on the Melrose Junkyard issue and support the county in remedying the situation. The motion was seconded by Manager Mostad. The motion passed with all in favor.**
- e. **North Fork Crow River Watershed/Sauk River Watershed District Boundary Adjustment.** Administrator updated the board that the final boundary adjustment on CD 9 has been completed.

**All Sauk River Watershed District meetings are handicap accessible.**

An attempt will be made in advance to accommodate any other individual need for special services. Call the above number if any special arrangements need to be made.

Minutes July 19, 2011 Meeting

- f. **June 21, 2011 Board Meeting Minutes.** Manager Mostad made a motion to approve the minutes from the June 21, 2011 board meeting. The motion was seconded by Manager Kral. The motion passed with all in favor.

- b. **Sinclair Lewis Park Shoreline Restoration Discussion.** Administrator Kovarik informed the board that the Sauk Centre City Council has again tabled the discussion on the Sinclair Lewis shoreline due to a potential beach being put back in.
- c. **Sauk River (Melrose) Vegetation Concern.** Administrator Kovarik informed the board of a landowner complaint received about vegetation on the Sauk River. Adam Hjelm did a site visit and identified the vegetation and algae present. There was no blue - green alga present at that time. The City of Melrose is looking into having someone from the DNR come to answer questions at a public meeting.
- d. **Weed Harvester Disposal Agreements/Payment for Disposal Site.** Administrator Kovarik informed the board that the weed harvest equipment has been taken out and put in storage. Administrator Kovarik spoke with the Weed Harvest Crew Chief Gene Harren about the agreement to dispose of the weeds on private property and asked that the landowners be compensated this year in hopes to secure these locations for next year. **Manager Kral made a motion to compensate the two landowners \$300 each. The motion was seconded by Manager Kuseske. The motion passed with all in favor. The board approved by general consensus to allow Administrator Kovarik to work with legal council to update the Disposal Agreements with the landowners.** President Foster asked if research had been done on the ability to rent out the weed harvester. Administrator Kovarik stated that she is still trying to locate the original contract with the US Army Corp. of Engineers. That document should state what the District can and cannot do. However without the location of this agreement it has been difficult to define if this equipment can be utilized on other lakes.
10. **Reports**
- a. **Administrator's Report-Administrator Kovarik**
1. Comparing 2009/2010 Reports- Tabled
  2. **August Vacation-** Administrator Kovarik notified the board that she would be gone August 15-22 and she recommends that if something
