

Cedar - St. Rosa (Stearns County)

OVERVIEW

Cedar Lake is a 90 acre lake located 3.5 miles northeast of Melrose in Stearns County. It has an average depth of 8.1 feet, and a maximum depth of 36 feet. Cedar Lake supports a diverse aquatic vegetation community, and much of the shoreline is protected by emergent plants. Principal game fish species include northern pike, largemouth bass, and panfish. A public access is located on the east side, but fishing pressure appears to be low. Cedar Lake has relatively good water quality and is largely undeveloped due to extensive cattail stands and large areas of shallow wetland.
